

# U D S

UP/DOWN LED PENDANT

With uncompromising style and the look of clean, elegance, UDS open a world of creative potential.

55% downlighting and 45% uplighting distribution, making the light floating in mid-air.

## META UP/DOWN 24\"X24\"

It is an aesthetic, stylish architectural solution which creates stunning forms only 1.5\" high. It combines thin and square forms to enhance the decor. The unique design is nearly transparent luminaire when off and excellent uniformity and efficiency when on, reaching 55% downlighting and 45% uplighting distribution, making the illusion of the light floating in mid-air. It is perfect for applications that include conference rooms, open offices, retail settings, anywhere you want to make a statement.
