

SCORNER

Sconce Wing

NEW

Sconce Wing brings a new dimension to architectural wall lighting. It provides low-level lighting when daytime transitions to evening. Additionally, It can be wall or surface mounted and adds a layer of light on the walls that feels less institutional, to soften facility ambiance and enable interior design cohesiveness. This innovative design brings both performance and aesthetics to any design applications.

- Ultra-thin transparent optics
- 12", 18" and 24" length options for wall mount or surface, 48" for suspended
- 88lm/w, CCT & Wattage adjustable
- 1-10V dim, 10% standard, 1% optional
- White or custom*

* Additional cost and/or lead time on customized fixtures may apply. Some fixtures require an MOQ. Please contact your sales rep for more information.

Sconce Wing Performance

Combining superior esthetics, quality performance, and flexible mounting, Sconce Wing offers new opportunities to capture the beauty and benefits of architectural linear lighting. It has four sizes with wattage and CCT adjustable for scalability. The sleek profile is designed to blend into clean, minimalist architectural spaces. Easy install in the field which is perfect for applications that include corridor, open offices, hospital, anywhere you want to make a statement.

90+ CRI

True color, We strive to challenge the highest visual comfort.

Wattage Selectable

Maximum 20W or 40W with wattage selectable from 100%/75%/50% by dip switch. Fulfill more orders with fewer SKUs.

CCT Adjustable

Tunable white from 3000K, 3500K, 4000K. Maximize light compatibility by dip switch.

Shining New Light

Wall Sconce LED

Gives new meaning to lighting aesthetic

Sconce Wing enveloped in a sloping silhouette where the frame meets the optics, precisely controlled optimal direct indirect distributions. The unique design is nearly transparent luminaire when off and excellent uniformity, precise, textural and comfortable lighting when on. It can mount the luminaire on walls without any wall mount bracket to enhance architectural styling.

Suspended (48" Only)
Continuous runs
