Mini Scale Ø2"

Super-sized Performance

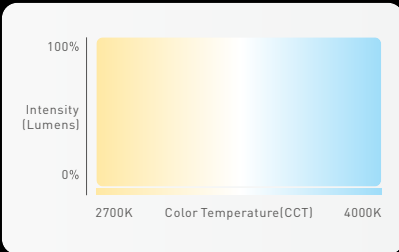

Light is equally as precious as the finishes and materials in a room. Every space, object, or task has an ideal shade of light to be lit by. Choosing the right light can make everything, everyone, and the experience extraordinary.

Fixed CCT

- 2700K, 3000K, 3500K, 4000K
- 90+ CRI

2700K-4000K

High Efficiency Lens

3inch 15° 24° 36° 60°
2inch 30° 60°

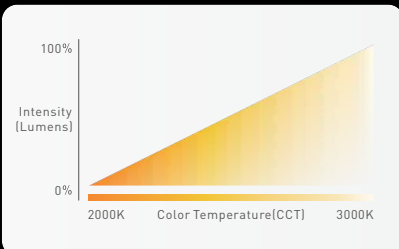

Classic reflector-inspired design delivers high light transmittance with balanced glare control and light distribution.

Dim to Warm

- 2000K - 3000K
- 95+ CRI

2000K-3000K

Low Glare Lens

18° 24° 38° 50°
3inch Only

It delivers a sharp cut-off beam with zero side glare, ensures superior anti-glare performance for refined, visually comfortable environments.

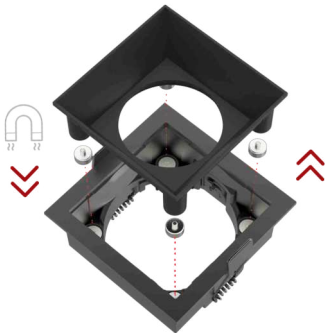

Puts Flexibility at Your Fingertips

Quicksnap Joint

Use magnetic attractions to combine square trim and shade.

Light Where You Want It

It provides additional flexibility to light spaces with a 360° rotation and a maximum 30° tilt angle.

Trimmed With Flange

Trimless Spackle-In

Sleek. Modern Aesthetic

Square and round trims available in white, black finishes with a 2" or 3" aperture, OKT LED Mini is a designer's favorite with an upgrade in technology that delivers superior light in every application.

Seamless And Innovative Trimless Look

Elevate modern interiors with trimless recessed lighting that disappears into the architecture. By eliminating bulky flanges, our downlights create a flawless, uninterrupted aesthetic-blending light and structure for a ceiling that appears to glow from within.

A Designer's Dream!

Choose from a variety of trim shade options and combinations. The OKT's mini downlights are available in pinhole, oval, round or square, downlight, and wall wash. A selection of shade colors is available along with options perfect for many ceilings.

Shade Configurations

Everything You Wanted in Here

OKT's Mini downlights are available in an expansive assortment of configurations to provide options for nearly every design requirement. It is a designer's favorite that delivers superior light in every application.

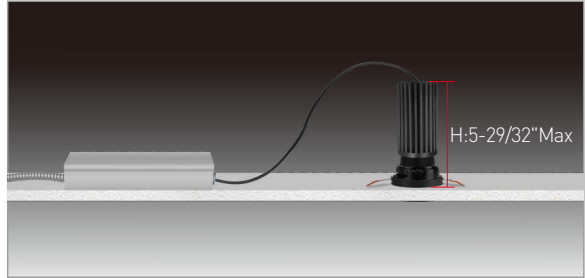

Square		   	 Honeycomb  Waterproof Plate Wet Rated
Round		   	 Honeycomb  Waterproof Plate Wet Rated
Pinhole Round		       	
Pinhole Oval		       	
Round Atmosphere 		    	
Round Wall Wash		 	
Square Wall Wash		 	

Flexible Simple Access

Remote drivers can be provided with single driver enclosures, or in pre-wired, big-box enclosures, OKT's high performance 2" and 3" aperture products can light spaces with ceilings from 8' to 20' in height while remaining fully serviceable and installable from below or above the ceiling plane.

1 Remodel (NON-IC Rated, Install From Below)

It can be installed in existing ceilings for retrofit application. Simple cut a hole in existing drywall ceilings.

2 New Construction-Frame Kit (NON-IC Rated, Install From Above)

A frame kit option is available for all new constructions and a variety of ceiling types. LED driver box rests on the frame kit by magnet when installed as shown below.

Mounting Space Required
